

Simple. Successful.

## Activize Oxyplus

### More Energy & Better Performance

FitLine® Activize Oxyplus promotes increased blood flow throughout your body, allowing cells to feel alive in a refreshingly stimulating way. Ideal in the morning.

- Rich in vitamin C and B6, contributing to energy-producing metabolism
- Vitamin B2 and niacin promote the reduction of tiredness and fatigue
- Enhances the supply of oxygen to our cells, especially brain cells
- Supports functioning of the nervous system
- Promotes fat burning while preventing drowsiness and fatigue
- Aids in increased blood supply to remote areas of the body
- Regulates the blood sugar levels in the body
- NTC® supports optimum nutrient intake and bioavailability
- Stimulates, invigorates and activates!

**DIRECTIONS:** Add one scoopful (1.67 mg) of Activize to 1.35 fluid ounces of water three times a day for the energy you need everyday! Add Activize to your water bottle during a workout for enhanced performance and regeneration.

## Nutrition Info

| Serving Size: 1 scoop (1.67 g)         | Amount per Serving | % Daily Value* |
